An investment in the Sterling Fund is not a guaranteed investment. An investment in a Money Market Fund is different from an investment in deposits, and is capable of fluctuating in price; you may not get back the original amount invested. The Sterling Fund does not rely on external support for guaranteeing liquidity or stabilising the NAV per unit or share. The risk of loss of the principal is to be borne by the investor.

This material is directed to eligible counterparties and professional clients only and should not be relied upon by retail clients. For Asia Pacific markets, it is directed to institutional investors, expert investors and professional investors only and should not be relied upon by retail investors. Information in this report has been obtained from sources believed to be reliable, but its accuracy and completeness are not guaranteed. The US Dollar Fund is a sub-fund of Northern Trust Global Funds plc is a regulated collective investment scheme in the Ireland under Central Bank of Ireland UCITS regulations. Past performance does not guarantee future results. This information is provided for illustrative purposes only and does not constitute a recommendation for any investment strategy or product described herein. This information is not intended as investment advice and does not take into account an investor's individual circumstances. Due to rounding of the % weights for the maturity distribution and instrument, industry and credit breakdown shown above, the total in each case may not sum to 100%.

Northern Trust Global Investments Limited (NTGIL) has been appointed by the fund as the investment manager and is registered as a limited company in England and Wales with company registration number 03929218. Registered Office: 50 Bank Street, London E14 5NT. Issued by NTGIL. NTGIL is authorised and regulated by the Financial Conduct Authority in the United Kingdom.
