

ANCHOR ANALYTICS™

With demands for data and insight expanding at a rapid pace, you need a partner that can keep up. Northern Trust's Anchor Analytics™, allows you to navigate and report on your data in a simple and intuitive way using cutting edge technology powered by IBM's Watson™. After all, it's your data - make it work for you.

POWERFUL REPORTING AND DATA VISUALIZATION TOOLS, AVAILABLE WHEREVER AND WHENEVER YOU NEED THEM

- Exceptional ability to engineer your data**
 Anchor Analytics™ allows users to create countless queries – allowing for evaluation across multiple factors and providing different users with different perspectives.
- Easily develop flexible charts, graphs and dashboards using Anchor Analytics™ intelligent data visualization**
 Anchor Analytics™ automatically recommends the best visualization formats for specific data inquiries - focus is less on the building of reports and more on understanding and making decisions on the results.
- Create compelling reports 'on the fly' and share them across users and platforms**
 Using intuitive, drag and drop functionality, you can quickly design and share reports.
- Automated alerts to monitor changes and key findings**
 Receive updates on any device when essential portfolio changes occur so you can take immediate and appropriate action - whether in the office or on the go.
- Consistent user experience, on all of your devices**
 Enjoy the same intuitive platform experience across any of your devices allowing for seamless collaboration with all stakeholders.

Why Northern Trust?

Financial Times, 2017
- European Innovator of the Year**
Funds Europe Awards, 2017
- Best Cloud Initiative**
American Financial Technology Awards, 2017

ANCHOR ANALYTICS

- **State of the art security and flexible user permission**

All of your data resides behind Northern Trust's firewall ensuring your data is fully secure and protected by industry leading cybersecurity and encryption measures.

BACKED BY A TEAM OF EXPERTS

Anchor Analytics™ is supported by a dedicated team of Northern Trust experts, delivering the same level of consistent, high quality service that we do in all of our businesses. You will have a dedicated resource within your relationship team to help you design, implement and maintain an optimal reporting experience, as well as serve as a primary point of contact should you need any assistance, guidance or training.
